Welcome to our space!

Dear Renter,

On behalf of Pleasant Valley Community Center, welcome to our building! Located in the former Arcadia Elementary building. Pleasant Valley Community Center, Inc. (PVCC) is a 501(c)(3) non-profit organization in Arcadia, Michigan. Renovations to the gymnasium and former classrooms have turned our space into one of the most attractive and affordable venues in Northern Michigan for events and educational offerings, and all sorts of gatherings. As a non-profit, we rely heavily on our community to support, allowing us to pass on extremely affordable rental rates to you, but this also requires your understanding of the importance of facilities maintenance and the teamwork it takes to maintain such a beautiful space. In this simple manual, you'll find all the information you'll need to create success for yourself and for everyone that uses the community center.

Available year-round for public and private events, PVCC is available for weddings, potlucks, fundraisers, concerts, meetings, and more. The gymnasium can hold 200 people, with room for 120 people seated. A commercial-grade kitchen is adjacent to the gym. Our facility is handicap accessible, and offers access to tables, chairs, and other amenities based on availability.

For smaller gatherings, we offer two classrooms, each room can hold 65 people. Table and chairs are available in each room. There is also a game room featuring ping pong, pool table, foosball, and air hockey available.

We also have a state-of-the-art workout room with therapy-grade exercise machines.

The grounds outside of the building offer a grassy picnic area, a large playground, pickleball courts, and a basketball court. The outside area is large enough for an event tent.

To reserve your rental, please visit our website www.pleasantvalleycc.org or reach out to Terri McArthur at ph. no.: (586) 482-5129, or email: tmcarthur459@gmail.com
